

## **Johnson & Johnson Statement on Red River's Filing Remaining in Texas**

October 10, 2024 - Attributable to Erik Haas, Worldwide Vice President of Litigation, Johnson & Johnson:

“Judge Lopez correctly ruled that Red River’s prepackaged bankruptcy shall remain in Texas, where Red River is incorporated, where its assets are located, and where the claimants whose interests are at issue selected as the appropriate forum. Today’s decision is another step closer to full and final resolution of the talc litigation for the benefit of all stakeholders.”
